The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**AUTHORIZE THE DISTRICT ATTORNEY TO ACCEPT 14<sup>th</sup> YEAR GRANT  
FUNDS FROM THE STATE OF CALIFORNIA, DEPARTMENT OF  
INSURANCE (SCDI) FOR THE WORKERS' COMPENSATION INSURANCE  
FRAUD (WCIF) PROGRAM FOR FISCAL YEAR (FY) 2006-07  
(ALL DISTRICTS) (4-VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Adopt the enclosed Resolution authorizing the District Attorney to accept grant funds for the WCIF Program from SCDI. Funds in the amount of \$4,145,333 have been awarded for the period of July 1, 2006 to June 30, 2007. There is no required County match for this grant.
2. Authorize the District Attorney to execute the Grant Award Agreement (GAA) on behalf of the County of Los Angeles.
3. Authorize the District Attorney or his designee, on behalf of the County of Los Angeles, to serve as project director and to sign and approve any revisions to the GAA that do not increase the net County cost of the agreement.
4. Approve the attached Budget Adjustment (BA) in the amount of \$559,000 for FY 2006-07, to allocate the spending authority necessary to operate the program. The BA amount represents the difference in the grant award and the amount already budgeted in FY 2006-07.

5. Authorize the District Attorney's Office, pursuant to County Code Section 6.06.020, to hire two (2.0) Deputy District Attorney (DDA) IV positions, one (1.0) DDA III, and one (1.0) Senior Investigator, pending allocation by the Chief Administrative Office.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The SCDI has awarded funding for the WCIF Program for the past thirteen years. On April 28, 2006 the District Attorney's Office submitted an application to SCDI to continue funding for the WCIF Program in FY 2006-07 and \$4,145,333 was awarded. The grant will be used solely for the investigation and prosecution of workers' compensation fraud cases, and cases relating to the willful failure of employers to remit payments into workers' compensation programs designed to protect employees.

As part of the GAA, SCDI requires an approved resolution by the County's Board of Supervisors. The enclosed resolution has been approved as to form by County Counsel.

#### **Implementation of Strategic Plan Goals**

Acceptance of the grant funds supports the County's Strategic Plan Goal No. 4, Fiscal Responsibility, by securing available revenue to offset program costs. This program directly supports the District Attorney's core mission of prevention, deterrence and prosecution of felony crime throughout the County.

#### **FISCAL IMPACT/FINANCING**

The amount of \$4,145,333 has been awarded to the Los Angeles County District Attorney's Office for the WCIF Program for the period of July 1, 2006 to June 30, 2007. In addition, \$264,150 has been approved in carryover funding from 2005-06, for a total program allocation of \$4,409,483 in FY 2006-07, of which \$3,850,000 is already budgeted. The attached BA in the amount of \$559,000 represents the difference between the total grant funds and the 2006-07 budgeted amount. The additional appropriation allocated in this BA will provide the additional positions needed to successfully implement the program. There is no net County cost associated with this program.

This grant will fully fund 26 full-time and 4 part-time positions.

If funding for this program were terminated, an evaluation would be conducted to determine whether the program would either be continued with costs absorbed by the department, or discontinued with the reallocation of staff to vacant budgeted positions.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Pursuant to the provisions of Section 1872.83 of the California Insurance Code, the State Department of Insurance is authorized to award and distribute funds to District Attorneys submitting plans approved by the Bureau of Fraudulent Claims for the increased investigation and prosecution of fraudulent workers' compensation claims.

The objective of the Los Angeles County District Attorney's Workers' Compensation Insurance Fraud Program is the prevention, deterrence and prosecution of those who abuse the workers' compensation system by criminal methods.

Since 2003-04, the WCIF Program has reported the following:

|  | <u>FY03-04</u> | <u>FY04-05</u> | <u>FY05-06</u> |
|--|----------------|----------------|----------------|
| Number of suspected fraud claims reviewed        | 908            | 786            | 506            |
| Number of new (investigation) cases              | 98             | 134            | 163            |
| Number of new case filings/indictments initiated | 44             | 39             | 107            |
| Number of defendants convicted                   | 49             | 32             | 43             |

There were a total of 130 cases in progress during FY 2005-06. These included 136 defendants and total chargeable fraud of \$4,372,162. This represents an increase in caseload compared to FY 2004-05 when 70 cases were in progress with 124 defendants and total chargeable fraud of \$6,784,056.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Pursuant to your Board motion of December 15, 1998, the Alternate Public Defender, Probation, Public Defender, and Sheriff's Departments have been notified of this request. Responses received from the Probation and Sheriff departments indicated the increased staffing would not impact their services.

The Alternate Public Defender stated that two additional Grade III Attorneys are required to handle the increased workload that will be generated by the WCIF Program. The Public Defender estimated that one additional Deputy Public Defender IV is required to handle additional workload that will be generated by the WCIF Program.
